

2024 ASID TEXAS CHAPTER DESIGN COMPETITIONS PHOTOGRAPHY PERMISSION FORM

Applies to the following five (5) design competitions:

- Design Excellence Awards (Austin Design Community)
- Design Ovation Awards (Dallas Design Community)
- Shining Star Awards (Fort Worth Design Community & Fort Worth Magazine)
- Pinnacle of Design Awards (San Antonio Design Community)
- Celebrating Design Texas Awards (ASID Texas Chapter)

Instructions

Fill out all the following fields and upload.

NOTES:

1. Designer Entrant, if your firm's contract with the Photographer of this project gives you permission to publish the photographs for your own marketing purposes, then the Firm/Designer assumes full responsibility, thereby absolving the Texas Chapter of the American Society of Interior Designers of any legal liability. If this is the case, then in the Photographer Permission section of this form, write "See attached letter" and include a letter stating the terms of your contract on your firm's letterhead, bundling it in a single PDF to upload to your entry.
2. Student Entrant, for your theoretical / unbuilt projects, simply list yourself as the Photographer.

Designer & Project

Primary Entrant Name _____

Firm Name _____

Category Being Entered _____

Project Name _____

Photographer Permission

Photographer Name _____

Photographer Address _____

Photographer City, State, Zip Code _____

Photographer Email _____

Photographer Phone Number _____

I, the Photographer[s] of the project images, hereby give permission for them to be entered into one or more of the 2024 Design Competitions presented by the Texas Chapter of the American Society of Interior Designers listed at the top of this form. I understand that by giving this permission, photographs may be published on the ASID Texas Chapter website [tx.asid.org], the ASID Texas Chapter Instagram account [@asid_tx], and in the ASID Texas Chapter magazine, Design Texas [print and online], and possibly local shelter magazines.
